## KENT COUNTY AEROMODELERS CLUB NEWSLETTER NOVEMBER 2013

### Coming Attractions

For the Month of December

**3rd Tuesday 7:00 PM.** KCAM General Meeting at Modern Maturity. There will be a Board of Directors Meeting after the general meeting.

### TOYS FOR TOTS

**8th Sunday 9:00 AM Till 3:00 PM**

Annual Drive sponsored by the U.S. Marines Reserve. KCAM asks its members to help with this most worthy cause. The toy must be new and should cost the minimum of \$10.00. The toy should not be wrapped except as the factory wrapped it. Let's all pitch in and help the Marine Reserves bring a smile to a kid who might otherwise miss out.

**14TH Saturday KCAM ANNUAL CHRISTMAS DINNER.**

### 21st Saturday 8:30 AM

KCAM Social Breakfast at Hall's Restaurant Wyoming Join your fellow Club Members for a good breakfast and conversation.

### 25th Christmas Day

To

THESE FINE KCAM FLYERS

Ernest Boyer

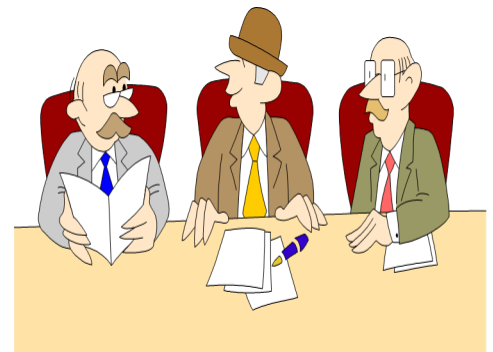

Doug Cauley

Pete Montefusco

Ann Wilson

### Newsletter Editor

Just a line for some of our new members. First of all welcome to KENT COUNTY AEROMODELERS. Your comments are welcome as long as they are Club or Model Aircraft related. Advertisements will be posted if received before the 15th of the current month. Have Fun FLY

HIGHLIGHTS Of  
KCAM General Membership  
Meeting November 5th 2013

### Announcement (Stacey Verm)

Joe O'Connell is recovering from open heart surgery. After surgery Joe had a mild stroke that caused about 50% of vision loss. Joe's vision is returning. He will go on medicine and will be allowed to go home soon. He wanted to thank everyone for their thoughts and prayers.

Stacey sent out an E-mail to all members a detailed proposal to purchase and install a fabric runway and taxi ways. The proposal was gone over in detail during this meeting. Stacey asked for a vote for or against the proposal.

Continued

## November meeting continued

The proposal was approved by 23 for and 2 against which included 6 absentee votes. The motion was carried and the committee will look into placing the order.

## THE ELECTIONS

The two year limit was waved by a vote of the members present. Here are the Board Members who will guide the club through 2014

President: Stacey Vrem

Secretary: Reagan Paquette

Treasurer: Joe O'Connell

Vice Pres.: And Web Master

Curtis Merriman

Newsletter Ed. and Member at large: Stu Yeomans

Committee Chairs.

Don Vincent Instructor Chair

Doug Cauley Safety Chair

Jerry Buckley Field Chair

Mike Spangler Membership

Chair

The meeting was adjourned at 8:00 PM

## JOB OPENING

Sam Marinucci is stepping down as the leader of road cleanup, a worthy project. He has done an outstanding job and the club thanks Sam very much. The Club needs a person to take over this very important job. Road cleanup happens twice a year, April and again in October. The duties of the job would be to print the forms from DELDOT's site, pick up the new bags and the signs during the week before we do the road cleanup, get the members to sign in at the cleanup site, submit a report on line after the cleanup and then take the signs back. This is a very important event that

creates harmony among the residents. It also makes Kent County Aeromodelers Gold Leader Club. This Club was one of the first Clubs to be recognized as such and this is just one of the electives which make us a Gold Leader Club

## Editor's Notes:

### A Job Well Done

I wish to express my opinion about a member of this club who deserves a grateful Thank You. William Kennedy, our past Vice President: Bill did a great and conscientious job from the get go. I observed that as soon as Bill assumed the position as Vice President, he started looking for and listing the property of KCAM. He was always conscientious of what was going on in the club. Ready to assist the President and other members in anyway he could.

When the President was unable to attend the meetings, Bill was very astute and conducted the meetings with the full knowledge of the club's inner workings.

Thanks Bill. *Ed*

I THOUGHT THIS MIGHT BE AN APPROPRIATE TIME TO PUBLISH THE FOLLOWING AS WE BECOME MORE AND MORE INTO ELECTRICTS

### Warning Safety Precautions

1. Never charge Lithium Ion cells/packs at any rate unattended.

2. Only charge Lithium Ion cells/packs with a charger designed specifically for Lithium Ion chemistry.

3. Lithium Ion cells can ignite because of unmatched cell capacity or voltage, cell damage, charger failure, incorrect charger settings and other factors.

4. Always use the correct charging voltage. Lithium Ion cells/packs may ignite if connected to a charger supplying more than six volts per cell.

5 Don't charge a battery in the airplane. The heat of the battery caused by a malfunction of the charger can melt plastic burn paper and etc,etc.

Lets be careful out there.

Hope to see all of you at our beautiful flying field on December 8th to support the U.S. Marines Reserves Toys for Tots Drive to make a kid happy on Christmas Day.

## Take a Kid Flying

### You Will Be Glad You Did!

This Newsletter and other items of interest can be found at [www.kcam-de.org](http://www.kcam-de.org) Take a look.

Curtis Merriman, Web Master reported that there were 1,800 page views in October, with 59% coming from the Ukraine.

I will close by wishing all a HAPPY THANKSGIVING
